Betsy and Paul,
So sorry that I missed today's conference call. I'm acting supervisor for my boss today and got pulled into a discussion.

From Paul's notes below it looks like we have a good path forward. Can you send out the next meeting invite?

FYI - I will be on vacation next week Tuesday-Friday and back in the office on October 13th (after the holiday).

Thank you,
Amy

Ok - we just finished talking.

She is working to get the letter out to ARCADIS providing comments on the analyses. I offered her to call me if she had any questions on the comments.

She is good with calls set up every other week for Wednesday at 10:30.

She will get back to us on the site walk, next week looks best for her.

Paul
